Riviera Charts

Full SOLAS compliance package

for new builds

Riviera Charts can handle your charts and publications. The final touch for a stress-free launch.

From digital navigation solutions to traditional paper charts and essential ADMIRALTY publications, we ensure your vessel is fully prepared for its maiden voyage.

Trusted by captains and project managers worldwide

- ✓ A global navigation and compliance partner, trusted for nearly 50 years, supporting yachts of every size with flexible, service-led solutions.
- ✓ 24/7, 365 worldwide supports from initial supply onwards with customer service delivered to the highest standard.
- ✓ Comprehensive ECDIS solutions including ADMIRALTY digital charts and publications, NovacoBridge, NovacoHub, and NovacoPAYS.
- ✓ Supplied globally through our international offices and partners in Singapore, Greece, the South of France, the United Kingdom and the USA, with next-day delivery to most major European cities.

rivieracharts.com

We understand that new builds face unique challenges and operate under tight deadlines to be ready to sail.

At Riviera Charts, we support new builds with digital-first navigation solutions and expert guidance from setup through handover.

What we manage for you

- ✓ Full audit of required charts and publications by yacht type and flag state
- ✓ Expert advice on the most effective digital and paper navigation solutions
- ✓ Digital bridge solutions with NovacoBridge and NovacoHub
- ✓ Stress-free global sailing with NovacoPAYS
- ✓ Nautical flags, stationery, and ensigns

Service you can rely on

Customer service is at the heart of what we do. We provide reliable, hands-on support to captains and officers, removing complexity during build, handover, and ongoing operation.

Why captains choose Riviera Charts?

46 years of trusted navigation and compliance experience

24/7, 365 expert support from a dedicated global team

One **global** partner, wherever your yacht operates

"We've built our service around reliability and clear communication – from the first chart audit through to handover and beyond. We get the navigation package right, so you can focus on everything else."

Flore Sakowski, Riviera Charts
