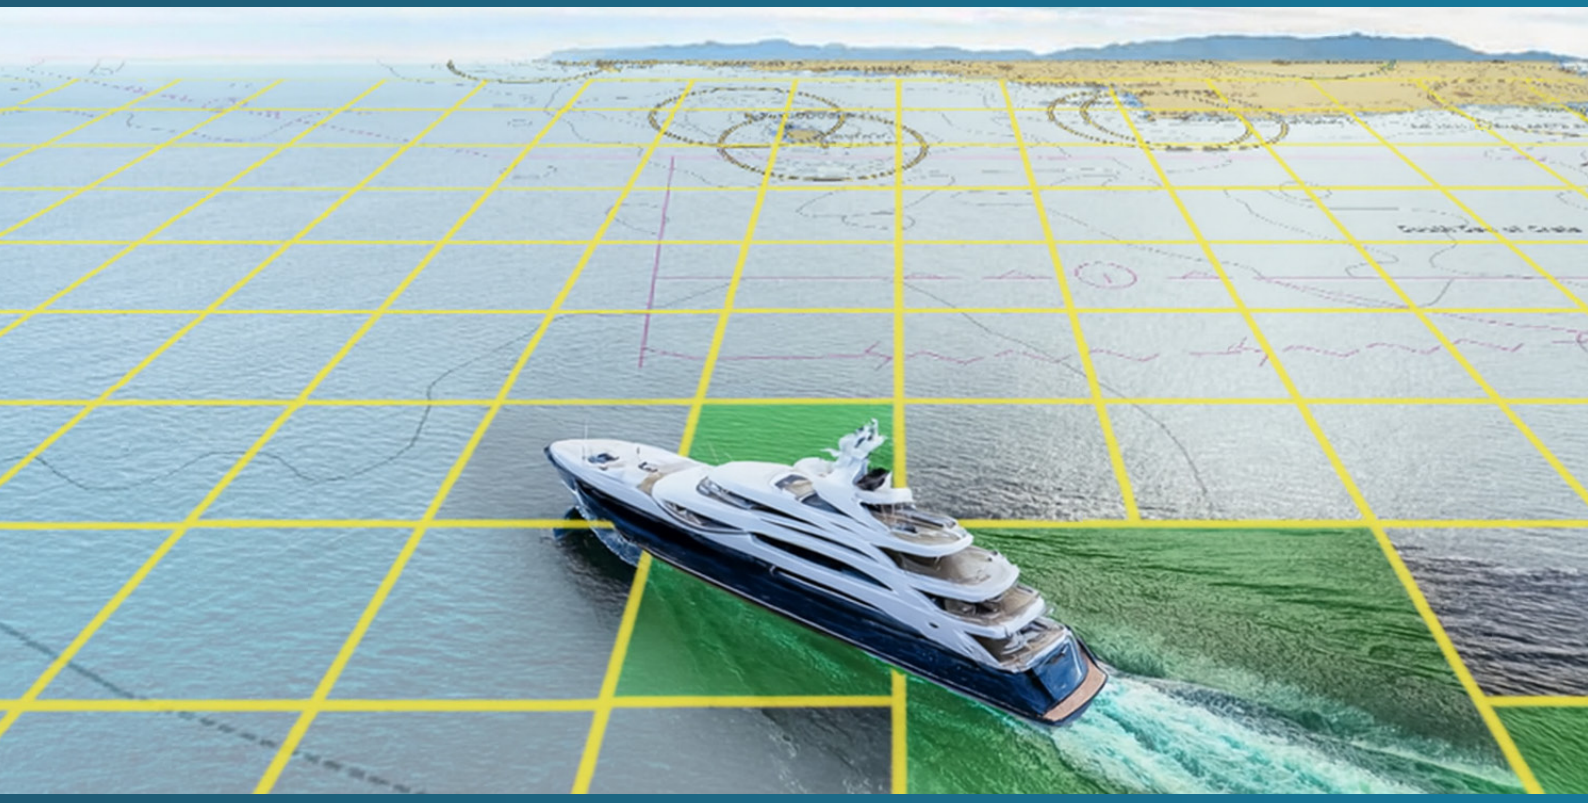
NovacoPAYS

Pay-As-You-Sail – Smart chart management from Novaco

Access the full AVCS PAYS folio at any time – pay only for what you use. With NovacoPAYS, charts are installed on the EDCIS and maintained via NovacoHub, reducing administration and making sure you are compliant.



Only pay for the charts you sail over

- Charts are 'open' – with immediate access to over 25,000 ENCs at no charge.
- Only pay for charts under the keel with automatic billing.
- All charts are fully updated and ready to use.
- View all ENCs for planning with NovacoBridge.

What is NovacoPAYS?

NovacoPAYS is an intelligent subscription service that revolutionises how vessels manage their digital chart costs. View and plan with over 12,500 ENCs at no charge – then pay only for the charts you actually sail over.

Perfect for:
- ECDIS users
- Superyachts with extensive travel
- Vessels with unpredictable routes
- Charter operations
- Last-minute destination changes.

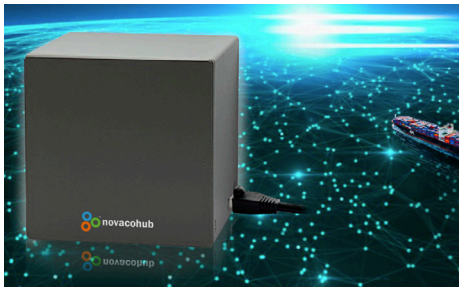
How it works

NovacoPAYS leverages NovacoHub's advanced tracking module to monitor your vessel's precise location and automatically charge only for the ENC cells your vessel actually sails over.

All charts are 'open'
✓ View and plan worldwide at no charge
✓ Over 25,000 ENCs available instantly

Pay only for charts under the keel
✓ Automatic billing based on actual route
✓ No corridor charges

Always updated and compliant
✓ All charts fully updated automatically
✓ Complete compliance without the hassle



Who benefits?

- Paperless bridges seeking streamlined operations.
- Superyachts that travel extensively across multiple regions.
- Vessels with unpredictable routes or last-minute destination changes.
- Charter operations where flexibility is paramount.

Efficient payments via intelligent tracking

In today's dynamic maritime environment, NovacoPAYS addresses the challenges captains and officers face, reducing administrative stress and operational costs:

Automated updates: ensuring compliance without manual intervention.

Smart ordering: based on actual voyages, not predictions.
